

**Activity Measure:** Guest nights

**Current status:** Working above best practice

# Cambridge House B&B

Exuding warmth, this large, lovingly-restored heritage-listed C1870 home with its unique timber ceilings and staircase, spacious ensuite queen rooms and guest lounge is the perfect base for exploring all of the Huon trail. Enjoy a full country breakfast in the sunny dining room and visit the resident platypus family at the bottom of the garden.

*Geeveston's historic home.*

## Sustainable actions underway to help reduce our:

### ENERGY

- Reduced energy use by 5% over same quarter last year.
- Reduced laundry energy and water by 50% sending to commercial laundry service.
- Audit of actual vehicle fuel used showed reduction of 50% over previous 2008 estimates (which included some private mileage).

### WATER

- Heritage toilet cisterns - reduced water flow by adding 2L squash bottle to 2 units.
- Reduced shower flows to 7.5L/min with replacement low flow units.
- Looking at collecting rainwater for garden watering use.

### WASTE

- Reduced waste by 70% with recycling glass, tins, paper/card and plastics and taking to tip.
- Established recycling bins for each room to encourage guests to recycle.
- Looking for low packaging products from suppliers to reduce waste.
